

Will Not be One Day Without PE-RU-NA

This Lady TELLS Her FRIENDS

Mrs. Mary Fricke, 507 Hornum St., Belleville, Ill., is just one of the many thousands of ladies throughout the country who, after an agony of years, have at last found health, strength and vigor in PE-RU-NA.

Her own words tell of her suffering and recovery better than we can do it. "I suffered with my stomach, had neural cramps and headaches so I often could not lay on a pillow. Saw your book, tried PE-RU-NA and got good results from the first bottle. To the stars of a cure I took twelve bottles. I have recommended PE-RU-NA to my friends and all are well pleased with results. I will not be one day without PE-RU-NA. Have not had a doctor since I began with PE-RU-NA, which was about June, 1920. I am now sixty-three years old, hale, hearty and well. Can do as much work as my daughters. I feel strong and healthy and watch my face and figure. Before, I weighed 120 lbs. and now I weigh 100 lbs. I hope lots of people use PE-RU-NA and get the results I did." An experience like that of Mrs. Fricke is an inspiration to every sick and suffering woman.

If you have catarrh, whether it be of the nose, throat, stomach, bowels, or other organs, PE-RU-NA is the remedy. It is not new; it is old and has been used for centuries. PE-RU-NA has been used by the sick and the well and is now well known to all. It is a natural and safe remedy and hastens recovery.

It is a natural and safe remedy and hastens recovery. It is a natural and safe remedy and hastens recovery. It is a natural and safe remedy and hastens recovery. It is a natural and safe remedy and hastens recovery.

Chamberlain's Cough Remedy

The great benefit derived from the use of Chamberlain's Cough Remedy has been gratefully acknowledged by many. Mrs. Benjamin F. Blakeney, Deatur, Ill., writes, "Chamberlain's Cough Remedy is by far the best medicine for colds and coughs we have ever used in our family. I gave it to my children when small for croup and have taken it myself."

How Diptheria is Contracted

One often hears the expression, "My child caught a severe cold which developed into diptheria," when the truth was that the cold had simply left the little one particularly susceptible to the wandering diptheria germ. If your child has a cold when diptheria is prevalent you should take him off the street until fully recovered, as there is a hundred times more danger of taking diptheria when he has a cold. When Chamberlain's Cough Remedy is given it quickly cures the cold and lessens the danger of diptheria or any other germ disease being contracted.

CAR owners, everywhere, have the same feeling about Republic Tires.

They know that they do give greater mileage.

They know that the Prodim Process toughens the rubber and lengthens the life of Republic Tires.

And that it is simply amazing how long it takes to wear down the Staggard Studs.

That is why every time we get an owner to try Republic tires we are sure of a permanent satisfied customer thereafter.
